From Judy's Desk

Time is certainly passing by and daylight saving ends Sunday morning. That will help when going to the pool at 7am. The year is certainly passing by very quickly.

TIME FOR A LAUGH

A blonde man shouts frantically into the phone "My wife is pregnant and her contractions are only two minutes apart!" "Is this her first child?" asks the Doctor. "No!" he shouts, "this is her husband!"

A blond man is in jail. Guard looks in his cell and sees him hanging by his feet. "Just WHAT are you doing?" he asks. "Hanging myself," the blond replies. "That should be around your neck" says the guard. "I tried that," he replies, "but then I couldn't breathe."

One afternoon I was walking on a trail with my baby daughter, chatting to her about the scenery. When a man and his dog approached, I leaned down to the carriage and said, "ee the doggy?" Suddenly I felt foolish talking to my baby as if she understood me. However, just as the man passed, he reached down, patted his dog, and said, "See the baby?"

After the accident, I told the police officer I thought the driver of the other vehicle was drunk. He told me the other vehicle was a cow.

Walking into the bar, Mike said to Charlie the bartender, "Pour me a stiff one, just had another fight with the little woman." "Oh yeah?" said Charlie, "And how did this one end?" "When it was over", Mike replied, "She came to me on her hands and knees." "Really," said Charles, "Now that's a switch! What did she say?" She said, "Come out from under the bed, you little chicken."
